

LED Headlight with Mounting Bracket for Harley

-Davidson

VST-010102-008

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

This LED headlight with mounting bracket kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. First remove the original headlight of the motorcycle and disconnect the headlight harness connector, as shown in the picture:

and put the frame back on the bracket, as shown in the picture:

2. Unscrew the frame on the original headlight bracket, put the new headlight on the bracket,
